PROFESSIONAL SUMMARY

Passionate Android Developer skilled in Kotlin and Jetpack Compose, with hands-on experience building dynamic and user-friendly mobile applications. Proficient in tools like Android Studio and GitHub to develop scalable solutions. Seeking an App Development Internship to contribute to impactful projects and grow technical expertise in a collaborative environment.

EDUCATION

Institute of Engineering and Management	**09/2022 – 06/2026**
*B.tech - **CGPA** - **8.25***	*Kolkata, West Bengal*
St. Denis School	**04/2019 – 03/2021**
*ISC - **Percentage** - **89.5***	*Howrah, West Bengal*
Institute of Engineering and Management	**04/2018 – 03/2019**
*ICSE - **Percentage** - **84***	*Howrah, West Bengal*

CERTIFICATIONS

- The Complete Android 14 & Kotlin Development Masterclass - Udemy

COURSEWORK / SKILLS

- Data Structures & Algorithms
- Operating Systems
- Database Management System (DBMS)
- Artificial Intelligence
- OOPS Concept
- Android Development

PROJECTS

- **Stylize** ⬀ | MySQL, PHP, Kotlin
  * A shopping app for clothes.
- **Camera App** ⬀ | AndroidView, CameraX
  * An Android app for capturing images.
- **PixaHub** ⬀ | Retrofit, MVVM
  * An image preview app that fetches images from Pixabay.

TECHNICAL SKILLS

Languages : Python, Java, C, Kotlin, MySQL, XML, PHP

Developer Tools : VS Code, Android Studio, IntelliJ IDEA Ultimate, XAMPP, Postman

Technologies/Frameworks : Linux, GitHub, Git, Jetpack Compose

INTERNSHIP

HK Technicals ⬀	**01/2025 – 03/2025**
Android Developer Intern	*Remote*

- Developed an Android app using Kotlin and Jetpack Compose, implementing **Retrofit** for API requests, **Hilt for dependency injection**, **WorkManager for background tasks**, and **Room DB for offline data storage**. Optimized performance, debugged issues, and collaborated on feature enhancements.

EXTRACURRICULAR

LetsUpgrade	
Student Ambassador	*Kolkata*

- **Promoted tech upskilling programs, increasing student participation in coding bootcamps and webinars.**

Google Developers Group	
App Dev Co-lead	*IEM,Kolkata*

- **Mentored peers on Kotlin, Jetpack Compose, and modern Android practices to build innovative mobile applications.**
